

# SURFACE MOUNTED DOOR CLOSERS

## DOOR CONTROLS USA PREMIUM 6000 SERIES

DC USA's 6000 Premium Series Door Closer is constructed for all medium to high traffic commercial storefront applications. The 6000 Series door closer is built on a 9 1/16" hole pattern, manufactured from high-grade aluminum, packaged with an all-weather fluid. DC USA's 6000 Premium Series door comes standard with power adjustable backcheck, sweep, latch and 1-5 spring tension valves.

ANSI Rated A156.4, Grade 1, Certified UL Listed, ADA compliant, meets or exceeds California Building Code requirements for minimal foot pounds of pressure, cycle tested to meet or exceed 2 million cycle counts.
