

Small Format Construction Core Program

Temporary construction cores may be ordered with small format interchangeable core locks, mortise cylinders and rim cylinders. These cores may also be ordered separately. All construction cores are assessed a non-refundable handling charge (50-231). See **Terms & Conditions** for more information.

Features:

- Best® A keyway
- Construction cores have a green or brown face. Each color is keyed alike to its own operating and control key.
- Construction cores are furnished with no keys (NCK). **Cut keys must be ordered separately. If construction operating keys are not ordered, one 48-310 cut key will be provided per order at a charge of \$8.70 unless specifically stated to not include.**
- A control key is required to install and remove construction cores. **Control keys must be ordered separately. If a control key is not ordered, one will be supplied at a charge of \$16.30.**
- Construction cores may be returned for credit. Contact your Schlage representative for return authorization. Credit is issued upon receipt of cores at our factory.
- Small format disposable cores may not be returned for credit.
